Dear Andres,

Good evening here from Nepal!

Regarding Nominees for the WITSA's Virtual Global ICT Excellence Awards, we asked same question as you have mention and we got the respective reponses from them. Please find the following responses below in the green line.

### **3. COVID-19 BEST INDUSTRY SOLUTIONS**

**Imark Private Limited.** [[Nomination](#), [Brochure](#)]

Nominated by: CAN Federation, Nepal

**In your nomination email, you mention that this nomination is for Imark Private Limited. However, in the document, the nomination appears to be for both Imark Private Limited, Pioneer Associates and Idea Concern. Your clarification wold be appreciated.**

Imark has lead this project and Pioneer Associates and Idea Concern support us in developing CovidNp App. He share additional documents which is ongoing as Dhaphe Care for the covid patient if required.
