Dear Anders:

Greetings from EITESAL,

With reference to your previous email requesting our recommended nominations for the WITSA Global ICT award 2021 among EITESAL members. Here is our strong nomination:

**Name of Company:** [5dVR](#)

**Award category:** [E-education & Learning Award](#)

**Why do we think the company deserve the award:**

Experiential learning is a new trend and our solution integrates multiple spatial computing technologies to deliver an elevated learning adventure. The concerted story between mixed, virtual and augmented reality ensures maximum engagement. We are researching the possibilities of applying the same concept in various topics including culture and history. The findings of our project will empower creators globally on applying innovative experiential learning
