Subject: WITSA's 1st VIRTUAL Global ICT Excellence Awards

Dear Anders:

Greetings from EITESAL,

With reference to your previous email requesting our recommended nominations for the WITSA Global ICT award 2021 among EITESAL members. Here is our strong nomination:

Name of Company: [Logicel Elearning](#)

Award category: [E-education & Learning Award](#)

Why do we think the company deserve the award:

Logicel was founded to provide life-transforming learning experiences to learners in Egypt and the MENA region, through helping youth by providing a wide range of learning opportunities with accredited certificates.

In order to reach a wider and bigger scale, Logicel aggregates content; courses, tutorials, articles and presentations produced by Tatweer International Company, the content developer, The objective is to reach out to the maximum numbers of knowledge and education seekers and facilitate the learning process.

We're looking forward to being the leading e-learning platform in the world in terms of wide accessibility, technology, for individuals and corporations.
