

HOMIEZ continues its initiatives to support the recovery of the Bahraini commercial market

HOMIEZ, the leading Bahraini platform in the field of digital shopping, has launched a new commercial campaign, through which it offers services and products to more than 300 Bahraini stores, 500 brands, special offers and ample profit opportunities for a whole month, as part of the platform's keenness to continue its initiatives aimed at supporting the market recovery. Bahraini Commercial

The Digital Executive Director of the HOMIEZ platform, Mr. Sadiq Abdul Rasoul, said that the "Shop and Win" campaign once again reflects the commitment of the platform's team to supporting the commercial sector and the national economy, stimulating sales and recycling goods and products

in the Bahraini market, by harnessing the latest technical capabilities of digital marketing from In order to serve the merchant in the disposal of his goods and the buyer to obtain what he wants from .those goods in one place at very competitive prices

Abdul Rasoul explained that the campaign, which was called "Shop and Win", will run from October 1. to November 1., and offers more than ٥,٠٠٠ special offers, in addition to a wide range of surprises and big gifts, the most important of which is the MG ٥ car, in addition to a wide range of valuable devices and electronics. . The campaign also includes many discounts and various exclusive offers .on a wide variety of merchandise and merchandise, in addition to many gifts and raffles

He added that HOMIEZ is now proud, after more than three years of its launch in the Kingdom of Bahrain, that it has become the leading local alternative in providing digital entrepreneurship and digital shopping solutions, and a reliable partner for both merchant and consumer, and buying through the platform has become a daily habit for thousands of consumers from Citizens and residents in the Kingdom of Bahrain who get all their daily needs and necessities for their modern .lives through the platform

He expressed his gratitude to all merchants and consumers who place their trust in HOMIEZ's young Bahraini team that is always working to localize the latest global trends and innovations in the field of digital shopping and to enhance the awareness and culture of merchants, consumers and other individuals in the Kingdom of Bahrain on how to benefit from this new type of shopping as effectively as possible. He said that HOMIEZ builds its expected success in the "Shop and Win" campaign on its accumulated experience in launching similar events that have previously achieved great success, including HOMIEZ's Digital Shopping Week, Good Friday and HOMIEZ's first .digital shopping exhibition, among others
