About Us

Homiez is an innovative, comprehensive e-commerce platform established in 2018.

- One of the first platforms that focuses on vendor visibility offering easy daily related services and products within the same reach.
 - Enabling and empowering local vendors by providing an opportunity for them to showcase and sell their products and/or services.
 - It promotes mass marketing campaigns in addition to many more advantages and innovations.
 - Offers delivery to everywhere in Bahrain; express delivery, standard delivery, scheduled delivery, and any other delivery option offered by the vendor.
-
